Paperless Auto-Billing

The screenshot displays a web-based account management interface. On the left is a vertical navigation menu with options: Voicemail (with a Help link), Password (with a Help link), and Buddy List (with an Edit link and a Help link). The main content area is titled 'Call History' and includes a search filter for 'Select a date range to report on:'. The filter shows 'Start: Jul 24 2009' and 'End: Jul 25 2009', with a 'Show: All' dropdown and a 'Search' button. Below the filter is a table of call records with columns: Date, Calling Number, Number Called, Country, Disposition, Type, Duration (mm:ss), and Cost (US \$). The table contains 10 records. At the bottom of the table, it says 'Records 1 to 10 of 10'.

Date	Calling Number	Number Called	Country	Disposition	Type	Duration (mm:ss)	Cost (US \$)
