# Telecom solutions for your business.

VIRTUALLY SIMPLE AUTOMATED MANAGEMENT ASSISTANT

Transform your office into a communication power house.

Stay in touch with customers no matter where

You are in the world

□ A complete 3CX Phone System for Windows consists of the server software, soft phones or SIP hardware phones, and a VoIP Gateway to connect your existing phone lines. Together with myVoIP-Video.com . □ The system can use the existing computer wiring (and share the network point with the computer) and can be installed on an existing, non-dedicated Windows server or run as a virtual machine. Say goodbye to expensive, proprietary, phone system expansion modules and costly phone bills!

## OUR SOLUTIONS FOR

- COMPUTER
- HOME
- BUSINESS
- MOBILE

### EXTENSION MANAGEMENT

- With an unlimited number of extensions its easy to connect your entire office.
- When out of the office, forward your extension to your cell phone, home phone, or to another extension or voice mail. Your customers will be able to reach you no matter what.

### VOIP GATEWAYS

With 3CX Phone System you can continue to make and receive calls on your existing phone lines using a VoIP Gateway. 3CX includes out of the box configurations for leading VoIP Gateways and Sangoma cards. Analog and BRI gateways start at as little as \$300 and an E1/T1 gateway starts at approximately \$1500

### COMPUTER SOLUTIONS

X-Lite Softphone on your computer.

Take your phone wherever your laptop will travel, or integrate your computer to TV and make video calls over your TV via your laptop.

### HOME SOLUTIONS

Use your old phones just like you always have with our adapter, or plug in to your modem a new phone which is Voip capable.

### MOBILE SOLUTIONS

With Global Mobile have access to TV, Movies, Internet Wi-Fi, all in the palm of your hand from anywhere in the world
